Holiday in Holiday Park

Holiday home Alba is the place to enjoy a beach vacation with the whole family. The beach and the sea are a short distance away and in the holiday park there is a playground, swimming pond, restaurant and small supermarket. Light and Bright

Alba is wonderfully bright and spacious. The living room is comfortably furnished with ample seating with a wood-burning stove. Enjoy the lovely summer days by making the garden your second living space. With a comfortable garden set and a good fence that offers a lot of privacy, you can enjoy it here. The vacation home has its own bicycle shed where you can put your own bicycles. For the children there is a wagon, crib and even two high chairs.

Spacious

On the first floor you will find a bedroom and a bathroom with a rain shower. The staircase takes you to the upper floor where you will find two bedrooms. Here is a bedroom with a double bed and a bedroom with two single beds. Practical and modern at the same time

You can park your car in the central parking lot. The park offers an excellent opportunity to celebrate vacations. The park has two restaurants and a small supermarket. The beach is easily reached within 10 minutes by bike or car.

cycling tours through flowering tulip fields and visit pretty little villages. The forests, the dunes and the North Sea beach are only a few minutes away by bike.

Bicycles, children's bicycles and child seats can be rented at the reception.

You can store your own bicycles in the shed at your holiday home. At the campingsite you can get fresh bread rolls in the morning.

There are two different restaurants at the holiday park where you can enjoy your breakfast, a cup of coffee or tea, delicious lunches or dinner. The MAMA is an Italian restaurant and is located directly in the bungalow park.

The Como & Co restaurant is located directly on the lake. Here you can rent kayaks and rowing boats.

The holiday park has a lot to offer for both young and old. You can play petanque or tennis. Children can play on the many playgrounds. At the lake you will find cosy beaches and sunbathing lawns for extensive sunbathing.

There is a horse farm about 300 metres away. You can stable your own horse there during your stay. The horse farm borders the dune area 'Hollands Duin'. From here you can take beautiful rides through the dunes of Noordwijk and Noordwijkerhout.

In short, an abundance of possibilities for the whole family!
