The holiday of your dreams

Those who like to go on beach holiday but prefer to avoid the crowded beaches, we would like to invite you in one of our secluded cottages.
Holiday in holiday park

BlueSky is located in a small, charming holiday park with its own swimming lake. From here you can easily reach the beach by car.(8 min) It is even easier through the residential road and then to the dunes (9 min). Anyway - in 20 minutes you are on Langenvelderslag, a quiet beach with amazing view on the North Sea. Or you can walk through the boulevard, the busy beach promenade of Noordwijk aan Zee.

The cozy, open living room has a beautiful view of the whole house. The kitchen is very modern and equipped with all major and high quality built-in appliances. The open staircase leads you to the bedrooms upstairs.
Garden with all the privacy you need

The garden has enough privacy and enough place for your four-legged friends. You can store your bike in the garden shed.
Rest and freedom at the Dutch coast

We guarantee that you will not regret your vacation here on the North Sea coast very quick. Just forget about your everyday stress: sunbathe on the beach and enjoy the sunshine and sniff the healthy sea air. Have a delicious dinner in one of the beach restaurant.

Holiday Park Sollasi

This location is the most famous flower region in Holland, the 'Bollenstreek'. Here you can make beautiful cycling tours through flowering tulip fields and visit pretty little villages. The forests, the dunes and the North Sea beach are only a few minutes away by bike.

Bicycles, children's bicycles and child seats can be rented at the reception.

You can store your own bicycles in the shed at your holiday home. At the campingsite you can get fresh bread rolls in the morning.

There are two different restaurants at the holiday park where you can enjoy your breakfast, a cup of coffee or tea, delicious lunches or dinner. The MAMA is an Italian restaurant and is located directly in the bungalow park.
The Como & Co restaurant is located directly on the lake. Here you can rent kayaks and rowing boats.
The holiday park has a lot to offer for both young and old. You can play petanque or tennis. Children can play on the many playgrounds. At the lake you will find cosy beaches and sunbathing lawns for extensive sunbathing.

There is a horse farm about 300 metres away. You can stable your own horse there during your stay. The horse farm borders the dune area 'Hollands Duin'. From here you can take beautiful rides through the dunes of Noordwijk and Noordwijkerhout.

In short, an abundance of possibilities for the whole family!
