

Holiday Home with swimmingpool

InVia is a vacation apartment located in the middle of the bulb fields in a quiet neighborhood in Noordwijk. In this beautiful house the entire top floor is your vacation residence complete with heated outdoor pool. In the shared garden is a swimming pool with sun loungers and outdoor shower to rinse off.

Extremely tasteful

The house is equipped with full width windows allowing plenty of daylight to flow in. A modern kitchen with dishwasher and dining table provides space for a cozy meal or breakfast together.

With two bedrooms, the first of which is very spacious with an Auping double bed and a single bed and the second bedroom with another double bed, it offers a comfortable place to sleep for five people. The bathroom was completely renovated in 2022 with double sink, walk-in shower, bathtub and design radiator.

Your car can be parked in front of the door.

For a special kind of holiday

InVia offers an excellent place to fan out to many destinations to enjoy your vacation. The beach is 10 minutes away by bike as is Noordwijk center and the boulevard. A coast and choice of walking and cycling paths meander through the dunes and along nature reserves including the Amsterdam water pipes. Besides nature, culture is well represented here with interesting cities to visit such as Amsterdam, Leiden, but also Alkmaar, Lisse and Gouda are definitely worth a visit.
