Beach Holiday

Want to take your family to the beach of Noordwijk? Then the holiday apartment Tango is the ideal place for a relaxing vacation. You can easily reach the third floor, where the apartment is located, with your luggage via the elevator. The living room is bright with a spacious balcony overlooking a quiet side street of Noordwijk. Tango is located behind the bustling boulevard of Noordwijk aan Zee, so within 2 minutes you have a wide choice of numerous restaurants and other entertainment. You and your family can enjoy all the activities that the beach and the sea have to offer at Noordwijk beach in no time! On the way back, the child-friendly pancake restaurant might be a good choice for a meal after a wonderful day at the beach.

Holiday Apartment

Prefer to cook your own meal? The Tango apartment has a well-equipped kitchen. With a ceramic hob, a choice of 2 coffee makers, and a dishwasher, you won't miss a thing. With a washing machine and dryer, this apartment is a great choice for a holiday with children.

Centrally Located

We recommend our guests leave the car and use the good public transport connections to the big cities. Or explore the area by bike or on foot using the numerous cycling and walking routes. There is a lot to see and do in the Noordwijk area in terms of nature and culture. The colorful flower fields are always a delight in spring, but the other seasons also offer enough natural beauty to enjoy. And what is so nice about this holiday apartment is that it has its own garage space, where you can park your car safely.
